

Mini Stainless Steel

5000SS

- For use in situations where access to a dial pad is not necessary or is not allowed. Works as a visitation phone or as a restricted access phone where the phone number is dialed for the inmate at a different location.
- Heavy duty 14 gauge brushed stainless steel provides rugged vandal resistant telephone housing designed for inmate use.
- Confidencer technology, built into every phone, filters out background noise at the user's location, allowing better sound to the called party.
- All-in-one electronics features modular incoming line and handset connections for quick maintenance. Carbon (HS) and DuraClear (DURA) Handsets have separate 4-pin connections.
- Heavy chrome metal hookswitch lever withstands abuse and vandalism.
- Armored handset cord is equipped with a steel lanyard (1000# pull strength) and secured with a 14 gauge retainer bracket for maximum vandal resistance.
- Handset has sealed transmitter and receiver caps, suitable for heavy use and abuse locations.
- Pin-in-head security screws minimize tampering.
- Hearing aid compatible and FCC registered US:1DATE05BITC-254, IC:3267A-ITC254.

ACCESSORIES:
